PE-RT/AI KAN-therm UltraLine piping system

KAN Sp. z o.o.

STATEMENT OF KIWA

This technical approval-with-product certificate on the basis of BRL 5611 Plastics piping systems of PE-RT/AI intended for heating installations: radiator connections issued on 25 October 2016 by Kiwa, in accordance with the Kiwa Regulation for Certification.

The quality system and the product characteristics belonging to the PE-RT/AI KAN-therm UltraLine piping system are checked periodically and the performance of the PE-RT/AI KAN-therm UltraLine piping system in the application as floor heating is assessed. The basic principles for the assessment are checked periodically.

Based on this Kiwa declares that:

- legitimate confidence exists that the by the holder of the technical approval- with-product certificate delivered PE-RT/AI KAN-therm UltraLine piping system comply with:
 - the technical specifications as laid down in this technical approval-with-product certificate;
 - the product requirements as laid down in this technical approval-with-product certificate, provided that they have been marked the PE-RT/AI KAN-therm UltraLine piping system with the KOMO[®]-mark in the manner as indicated in this technical approval-with-product certificate;
- the PE-RT/AI KAN-therm UltraLine piping system provides the performances as described in this KOMO technical approval-with-product certificate, provided that:
 - the application conditions and technical specifications as described in this KOMO approval-with-product certificate are met;
 - the manufacturing takes place according to the processing methods as laid down in this technical approval-with-product certificate.

Within the framework of this KOMO technical approval-with-product certificate there is no inspections with regard to the production of other parts of the PE-RT/AI KAN-therm UltraLine piping system or the processing of the PE-RT/AI KAN-therm UltraLine piping system.
